

## Letter of Intent for Strategic Alliance Collaboration

1. In order to actively promote talent development, introduce resources through industry-academic exchanges, and establish an industry-academic collaboration platform oriented towards the needs of enterprises, Tainan University of Technology (hereinafter referred to as "Party A"), represented by the [Department/Program], and [Party B] (hereinafter referred to as "Party B") agree to sign this Letter of Intent.
2. This Letter of Intent is not legally binding, and the details of future collaboration between the two parties will be separately agreed upon and further executed.
3. The effective period of this Letter of Intent shall be from \_\_\_\_/\_\_\_\_/\_\_\_\_ to \_\_\_\_/\_\_\_\_/\_\_\_\_. In the event that either party intends to terminate this agreement, written notice must be provided to the other party at least three months in advance.
4. Parties A and B, without affecting the normal operations and internal workings of each other, agree on the following areas for future collaboration:
  - (1) Collaborative teaching by industry experts
  - (2) In-depth training for teachers
  - (3) Teacher involvement in community service
  - (4) Serving as advisors and lecturers
  - (5) Exchange of industry-academic experiences
  - (6) Collaboration on industry-academic projects
  - (7) Joint development projects
  - (8) Co-organization and sponsorship of events
  - (9) Collaboration across schools and disciplines
  - (10) Collaboration on student internships
  - (11) Collaboration on talent development
  - (12) Collaboration on employment program planning
5. This Letter of Intent shall be effective from the signing date, and both parties may commence planning and discussions regarding the implementation details of each collaborative project.
6. This Letter of Intent is prepared in duplicate, with each party holding one copy for reference.
